

"YOUR MOBILITY MADE EASY!"

"OT NEWS YOU CAN USE" ...

COSYFEET **ARE HERE**

We are pleased to inform you that advance electrical mobility now supply the full range of cosyfeet products. Shoes, sandals and slippers, cosyfeet footwear is probably the widest, deepest and roomiest footwear available. It is ideal if normal shoes simply won't fit because your feet are swollen, bandaged or exceptionally wide. All footwear has been designed to fit swollen feet and is made using the most comfortable leather or fabrics available. If your feet are especially swollen or bandaged we can also supply extension pieces to lengthen the straps on most types of shoe. Our footwear range is designed to help those affected with arthritis, MS, leg ulcers, diabetes, strokes, gout, oedema, poor circulation, heat and cold and those with bandaged feet. The range of footwear is so vast we stock the most popular models but we can order in any style or size for you at short notice. Call us now to view our range or request a fitting or request a catalogue.
