Our Core Values

Integrity

Ensuring the customer is confident in trusting the product and/or recommendation based on our customers needs.

Caring

A genuine interest in the customer personally and their circumstances. To assess, supply and see things through to completion.

Pursuing excellence in customer service

Reassurance and peace of mind that our trustworthy team are there to provide back up when you need it the most.

Consistency

The comfort of knowing you will be provided with a consistent style of service in all your dealings with Advanced Electrical Mobility.

Innovation and Pioneering

Always pursuing the ever expanding market of new mobility products.
