

"YOUR MOBILITY MADE EASY!"

"OT NEWS YOU CAN USE" ...

**Introducing
the New
and
Improved
AEM 480.**

The AEM 480 is ideal for day to day use with its neat and compact design its length is only 40 inches and 20 inches wide. Perfect for travelling around the community or shopping centres with its 10 miles range and 4mph speed. The AEM 480 can be dismantled for the car boot in less than 30 seconds. For a free home demonstration and assessment please call us now.

We stock a full range of light weight and portable ramps suitable for mobility scooters and wheelchairs both powered and manual. our ramps are made of light weight aluminium and have an anti slip coating that make them ideal for indoor and outdoor use most of our ramps can be fitted to steps to make them semi-permanent. We have a large range of ramps varying from 18 inch threshold ramps to 7ft extendable ramps. Call us now to view our large range of portable light weight ramps.

AEM ADVICE

When purchasing a mobility scooter or any type of mobility product always ensure that you purchase from a dedicated mobility retailer like Advance Electrical Mobility. We are an Irish company in business since 1986 and your mobility is our business. We will honestly assess you and recommend what is right for you're your needs. Our guarantee and back up is comprehensive and water tight.
