

"YOUR MOBILITY MADE EASY!"

"OT NEWS YOU CAN USE" ...

HAPPY NEW YEAR

We Have More In Store For 2009

Now that Christmas is gone and we are recovering from too much food and afraid to check your bank balance. We here at Advance Electrical Mobility can help you rediscover the freedom and independence you thought you had lost as well as your bank balance. Print out the voucher below and present it when you purchase anything over the value €495.

Introducing the new Ergo Duo plus rollator and transport wheelchair. The Ergo Duo Plus has the ability to convert into an occasional use transport chair within seconds. Move over the backrest, pull down the footrest bar and it's ready to use. It is made of light weight aluminium and is available in metallic blue. It has an under seat storage bag and pouch. It is the ideal solution for someone who uses a standard rollator and occasionally uses a transport wheelchair. To view this product call us on 01-4553168.

Net Weight : 9.7kg

Maximum user weight as Rollator

113kg/250lbs as a Wheelchair 88kg/195lbs

Seat height from floor 56cm/22"

Are you finding it hard to source any product or service please contact us and we will be more than happy to help in any way we can. Call us now to regain the freedom and independence you thought you had lost.
