The AEM Micro Balance is another unique design that is the latest design in stability and comfort. The exclusive magnetic stabiliser technology wheels touch down and when turning to keep users stable. They self centre magnetically when not in contact with the ground. The frame forward design means increased leg and foot room. Improves posture and weight distribution. Drive in confidence with 3 wheel Manoeuvrability but with extra stability. With the plush wide seat with padded armrests and puncture proof tyres you will be able to drive all day in comfort. With its compact design it will fold for the car boot in 30 seconds
